2012 International SoC Design Conference
Call for Special Sessions

International SoC (System-on-Chip) Design Conference (ISOCC) aims to provide the premier forum of leading researchers in the SoC design areas from academia and industries. You are cordially invited to organize special sessions in ISOCC 2012.

Proposal Submission

Prospective organizers of special sessions should submit proposals hhlee@inha.ac.kr. The proposal should contain:

- title of the special session.
- need for the special session at ISOCC 2012.
- short biographies of the organizers.
- list of five (5) contributed papers (including the title, authors, contact information for the corresponding author, and an abstract for each contributed paper). It is recommended that one of the papers in the special session is a tutorial that can introduce the subject to the non-specialist audience.

Important Dates

- Special session proposals due: July 16, 2012
- Notification of acceptance: July 21, 2012
- Submission of full four-page papers for special sessions: Aug. 18, 2012
- Notification of paper acceptance: Sept. 01, 2012
- Deadline for submission of final papers: Sept. 15, 2012

ISOCC 2012 will reimburse the early registration fee to special session organizers and half the early registration fee to special session presenters. For any questions regarding ISOCC 2012 special sessions, please contact Prof. Hanho Lee (hhlee@inha.ac.kr) or Prof. Chulwoo Kim (ckim@korea.ac.kr), the Special Session Co-Chairs.
